The Home with Heart

NEWS FOR FAMILY AND FRIENDS OF THE UNVERFERTH HOUSE | SPRING 2012

First Annual Long John Run benefiting the House!

On Saturday, March 10, the first Long John Run was held at Highbanks Metro Parks. Over 100 runners came out to enjoy a FUN run in their long johns and support the House. This event was put on by Greenswell, a lifestyle company that brings individuals, families and health professionals together to achieve wellness of mind, body and soul. We are grateful to Craig Thompson of Greenswell for getting the House involved!

Not only did the event raise several hundred dollars for the House, but many runners also brought in- kind items for the House, such as laundry detergent, fabric softener, toilet paper and paper towels. Thank you to everyone who came out for their generosity. Congratulations to Kara Redman, who won a gift certificate for a pair of running shoes courtesy of Road Runner Sports!
